Hi Donna,

As for LASAN, we have spot cleaned this location a couple of times and that is all we can do right now due to the new restrictions during COVID-19. I will add this back on the list for next week. Sounds like more of an LAPD issue for the most part.

**Much Appreciated,**

Hello,

We're still getting calls at this location. When I was checking other hotspots in our grid, went by this one, this morning. I literally had to sit and wait for five minutes while two cars blocking the road completed their drug transactions before I could get onto Adams Blvd. This, at 10:15 in the morning.
